**HOW TO FIND A VENDING SPACE:**  
 The 82-acre fairgrounds is divided into individual spaces arranged by rows.

**Outdoor spaces**  
 The ends of each row are marked by a red post with the letter of the row. "A" would be in the main field, "IA" would be in the infield, "NA" would be in the north field, "CA" would be in the Car Corral. Each space is numbered and marked by a white disc on the ground, located along the road at the front edge of the space. The discs are positioned on the boundary between two adjoining spaces.

**Indoor spaces**  
 Spaces located within buildings are preceded with the letter "B" followed by the letter of the building ("BT" indicates Building
